About the Team:

Working within a small, dynamic, motivated team, where operational demands & requirements can change by the hour. You will be working alongside Senior technicians with both Electrical and Mechanical expertise, where you will be expected to assist in any duties required to fulfil job requirements.

This fast-paced nature of the work requires teamwork and professionalism, which generates a collaborative and rewarding working environment.

Location:

Gyrodata Aberdeen, United Kingdom

Job Summary:

The Maintenance Associate is responsible to perform maintenance activities per the Maintenance Program and ensure on-time delivery of equipment in accordance with operational demand.

Responsibilities and Duties:

- Cleaning, Inspection & testing of both Mechanical & Electronic equipment
- Perform general warehouse duties such as, maintaining a clean and safe environment, receiving and processing incoming shipments, operating warehouse equipment, such as forklifts and pallet jacks, safely and responsibly.
- Assist with testing, loading and packing of tools and equipment going to client jobsites

- Assist with gathering, assembling, testing, and loading tool kits
- Comply with Schlumberger and respective division TLM standards.

Essential Requirements:

- Strong written and oral English communication skills
- Ability to use basic hand tools
- Ability to record data and demonstrate good record-keeping skills
- Ability to use a computer for accessing and sending e-mail, opening and revising documents, accessing internet and web-based programs.

Preferred Skills:

- Strong interpersonal skills to communicate clearly and confidently.
- Be eager to deliver results and meet demands.
- Remain positive during pressures, setbacks, and fast-paced environments.

If this role is of interest to you and you are eager to learn more then we strongly encourage you to apply. We can then discuss how you will help shape and grow SLB moving forward.

Benefits:

- Competitive salary.
- We offer private healthcare for employees and their families as well as subsidised dental care.
- We provide well-being programs such as Employee Mental health support and health and wellness coaching.
- Generous private employee-funded pension contributions.
- Income protection scheme and life insurance.
- Cycle to work scheme.
- We have multiple internal employee resources groups, female mentorship programs, volunteering opportunities, and company-wide webinars, amongst other opportunities.
